

Known to the Thais as 'Krungthep', meaning 'City of Angels', Bangkok is south east Asia's major hub. Like other modern cities in the world Bangkok boasts luxurious hotels, towering skyscrapers and modern shopping centres, but it has also managed to retain its traditional charm and ancient heritage.

Travel within the city is easy. Apart from the watertaxis, the Skytrain, Bangkok's overhead monorail system is quick and comfortable, or take a ride in a 'tuk-tuk' - an essential Bangkok experience in itself! Spectacular sightseeing, excellent food, endless shopping opportunities and a vibrant nightlife make Bangkok an essential introduction to the delights of South East Asia.
