

MOTORHOME HIRE

THE FREEDOM OF THE OPEN ROAD

There is nothing like the freedom of the open road if you are in a vehicle that has high and wide windows! And that's exactly what you get with a 'Recreational Vehicle' (RV) – everyone can see over hedges to the near or distant landscape. So whatever your choice of touring destination, the family will enjoy it together.

Here at Travelpack we have a host of routing suggestions leaving from 29 cities across the USA and Canada – and Alaska as well. We work exclusively with Cruise America & Cruise Canada, the largest motorhome rental company in the world with 36 years experience of providing holidays for visitors from around the globe.

Requirements to rent and drive

Even if you are not old enough to rent a car without horrendous 'Under 25' surcharges, so long as you are over 21 years of age and have a full and valid drivers license, there is no reason why you cannot rent an 'RV'! And there are no surcharges either! We also have no restriction on the number of drivers, and no extra driver fee, though all must be present at pick up and all must sign the rental contract and agree to abide by its Terms & Conditions.

First night hotel

Except in Albuquerque, Boston and Halifax where you can overnight in your vehicle at the KOA campground where the rental office is located, you must spend your first night in a hotel.

Rental Stations Open

Every day except for Sundays and National Holidays.

One-way rentals

It is possible to pick up in one city and return in another on payment of a 'one way rental' fee. These vary from \$50 to \$750 depending

on your routing and our staff can advise you. One way rentals are NOT permitted between the USA and Canada.

Vehicle Collection/Return

Normal collection is in the afternoon with return on the last day by 11am. A telephone call to the rental office in the morning will tell you what time to be there to pick up your vehicle. Why not get away sooner and have transfers included by booking the early Bird departure special.

Security Deposit

A deposit of \$500 (C\$ 500), payable by credit card, is collected when you pick up your vehicle. Provided the vehicle is returned clean and undamaged, this will be refunded to your credit card less any extra mileage charges. If you do not have a credit card, payment in cash may be made at \$1000 (C\$1500). Refund of deposit in this instance will be made by dollar cheque and mailed to the address on your rental contract.

Orientation

You will be shown how the vehicle systems work and be invited to look around your

motorhome with a member of staff. You should ask any questions about things you are uncertain of at this time. Please also check that you have everything on board that should be there (kits etc) and that you are happy with the vehicle.

Insurance

• Full 'Peace of Mind' insurance is INCLUDED; we call it that because we want you to be comfortable and relaxed knowing that you have \$1 million Supplemental Liability Insurance (SLI) which raises the State or Provincial minimal limits. You also have comprehensive coverage for any vehicle damage with the exception of an excess of \$500 – just like the excess you probably have on your family car insurance. When you sign the official Rental Contract at pick up, you are signing to say you will abide by the Terms and Conditions of that contract. Therefore, if for any reason you are NOT doing that when damage or mechanical breakdown occurs, all insurances will automatically be invalidated.

• Taxes – All taxes on things you pre-pay to Travelpack are included. Items you pay for locally (maybe kits, excess mileage etc) will attract tax at the local rate.
