SPECIAL NEEDS AND DISABILITY REQUIREMENTS

Rocky Mountaineer Vacations will make every effort to meet any special needs, including the requirements of our disabled guests. Most of the Rocky Mountaineer coaches are wheelchair accessible. LUGGAGE ONBOARD THE ROCKY MOUNTAINEER

Main luggage will be checked through to their final Rocky Mountaineer destination and will not be available in Kamloops or Quesnel. GoldLeaf Service and Escorted Service guests' luggage will be delivered to their Kamloops or Quesnel accommodation. All guests should be sure to carry any medications with them onboard the train.

SMOKE-FREE POLICY

To ensure the preservation of our fragile environment, and for the comfort of all guests, smoking is not permitted onboard the Rocky Mountaineer, Whistler Mountaineer or in the rail stations. This includes the vestibules between the coaches and the restroom facilities. We appreciate your understanding.

WHEN TO TRAVEL

The west coast of Canada offers a temperate climate, with warm summers and mild winters. The Canadian Rockies and the eastern provinces feature a much more dramatic climate, with cold winters perfect for snow-based activities. July, August and September generally have the finest weather. Other times offer tremendous savings.
